

## New Key Programming Software Update compatible with Fiat\* (FCA) 2024 - ADS2327 Code D756606AD

March 2024

Advanced Diagnostics is pleased to announce the release of a key programming solution for popular recent Hybrid models from Fiat.

### What does the software do?

The software programs bladed keys for models like the Fiat 500 Hybrid and the Fiat Panda Hybrid. All keys and remotes will be erased before programming new ones. The software bypasses the security pincode and programs the remote and the transponder at the same time. No working key is required. A Smart Aerial+ is required to complete the programming procedure.

### What else is needed?

Smart Pro

Silca Remote SIP22R34

Smart Aerial+

### OFFER DETAILS

Cable	ADC2000
Smart Aerial+ required	Yes
